### GUIDELINES FOR MASTER MIND GROUPS

Opening Statement:

In order to have a Master Mind Group, we recognize that there is a Master Mind, a power greater than ourselves, who is waiting to respond to each of us in a very loving, personal way.

**1. I SURRENDER:**

I admit, that of myself, at the human level, I need help!

**2. I BELIEVE:**

I strongly believe that a power greater than myself is restoring me to Its WHOLENESS, Its DIVINE ORDER, RIGHT NOW!

**3. I DECIDE TO BE CHANGED:**

I now make a decision to place my will, my life, my mind, and my emotions under the direction and power of the **CHRIST WITHIN**, the Master Mind.

**4. I FORGIVE:**

I release all anger, resentment, blame, guilt, or fear directed to others or myself.  
**I FORGIVE.**

**5. I AM READY TO BE CHANGED:**

With a grateful heart, I ask the Master Mind to take complete charge of my life, and change me.

---

**6. I ASK:**

"I make known my specific requests, asking my partner's support in knowing that the Master Mind is fulfilling my needs."

State your requests here

**7. I GIVE THANKS:**

"I know that Spirit has responded to my prayers, and I now experience the demonstration of my needs. My desires are fulfilled."

Each member responds with #8

**8.** "We know that Spirit has heard your prayers, (name), and we support you and know that you are now experiencing the demonstration of our prayers for you."

---

**9. I DEDICATE MY LIFE: (say together)**

"My life has dramatically changed. The Master Mind & I are now partners. I go out into my life with a spirit of enthusiasm and excitement. Thank You, Father-Mother God."

(Each member records Master Mind partners' requests & prays for them throughout the week.)
