

Vision, Mission, and Core Values

(adopted by the Board of Trustees August 2021)

Vision Statement

“Centered In Divine Love & Wisdom, we joyfully create a world united in positive spirituality.”

Mission Statement

“Through prayer, meditation, spiritual education and service, we put God’s love into action.”

Core Values

(Note: The descriptions for each core value are dynamic and will be amended and possibly expanded over time as we practice and live into these beautiful Divine Ideas.)

Generosity

- We place our faith in God as the Source of all Substance and Supply.
- We give generously, affirming that we live in an abundant universe and that as we give so shall we receive.
- We live in the infinite flow of God’s good; we draw from God’s inexhaustible supply and wisely use our rich resources to serve our mission.

Gratitude

- We give thanks continually, focusing on our blessings rather than a sense of fear or lack.

Inclusivity

- We see all people as one in God and honor the spark of the Divine in each other.
- We treat every individual with acceptance and respect as spiritual beings.
- We promote greater understanding and compassion among people in a spirit of unity.

Love

- We affirm that God is Love and commit to raising our individual and collective consciousness to manifest love in all our interactions.
- We attract others to our ministry by building a culture of Divine Love, caring and compassion.

Spirit-Led

- We consciously practice the universal Unity spiritual principles and support each other in discovering and manifesting the Christ Self within.
- We center ourselves in prayer and meditation to guide our thoughts, behavior, decisions, and actions.

More information will be shared as these concepts are put into practice and our ministries grow.

This is an exciting time for our church!
